

2017 Manitoba Soil Science Society Summer Tour

Thursday, August 17, 2017

Reducing Tillage, Recycling P and Recovering Soil Structure

Bus leaves from the Sobeys parking lot (Kenaston & McGillivray) in Winnipeg at 7:30am

OR meet us in Portage la Prairie! Pick-up stop at CMCDC parking lot at 8:15am.

Tour features soils around Portage la Prairie and McGregor. Highlights include:

- an inside look at P recovery at the recently upgraded Portage Water Pollution Control Facility
- soil management practices for vegetable crops (Connery's vegetable farm)
- measuring soil improvement with cover crops at CMCDC Portage
- strip tillage for row crops at the Toews Farm near McGregor
- 3 soil pits with associated exercises and prizes. Our "pit crew" will be Michelle Erb and Curtis Cavers.

Lunch included – with sweet corn. Returning to Winnipeg around 5:30pm.

CCA credits available: 5.0 in Soil and Water Management and 0.5 in Nutrient Management
